## K.C.R.C.I. Newsletter & Year End Report

### India Visit

New Year began in 2018 with Drs. Bhabendra and Shipra Putatunda visiting Bangalore, India via Dubai.

1. Visited the ongoing dialysis operation at Shirdi Sai Hospital and met with Dr. Rajesh seeking to expand their operations.

2. Met with University Hospital Physician, Dr. Mahesh, in Bangalore to expand on mutual education in the fields of Nephrology with special reference to dialysis.

3. Lions Club, supported by K.C.R.C.I., sponsored dialysis operations in India, was reviewed and they plan to expand their operations.

### Dubai Visit

Revealed aspects of medical and dialysis care in the United Arab Emirates that will likely help the operations in India and in other neighboring states.

### America

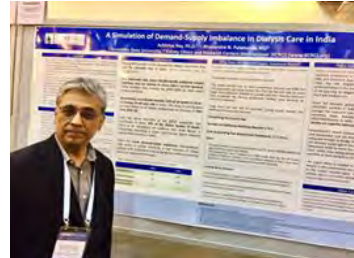

D.C.I. contributed machines for K.C.R.C.I. operations. They are ready to be shipped outside the U.S. as needed.
